

## Our response to the government's "Emergency Declaration"

Since March 2, 2020, Mitsubishi Corporation Logistics Co., Ltd. (hereinafter referred to as "our company") have been introducing our employees to work from home.

Based on the "Emergency Declaration" announced by the government on April 7 and the request from the Governor of Tokyo to refrain from going out, in order to maintain the health of all concerned and our employees, prevent the spread of infection, and maintain social functions. With business continuity in mind, our employees will work from home in principle for the time being.

We apologize for any inconvenience caused to our business partners and related parties, and we ask for your continued understanding.

<Period of policy>

From April 13, 2020 for the time being

\* In the future, we will extend the policy if the government policy is changed or if there is a request from the local government.
